

Eco Challenge Teacher Evaluation

School Name:

Completed by:Position:.....

Signature:Date:.....

The BIG Lottery funds Eco Challenge through the Changing Spaces Programme and as part of the funding conditions we need to evaluate your school's experience in relation to the whole Eco Challenge experience – residential course and post course activities. Please complete the following short questionnaire.

1. Impact on students. Please tick any of the statements which teachers/school has seen immediate benefits following participation in Eco Challenge

- Cooperation and communication
- Self esteem and self confidence (including amongst 'quieter' pupils)
- Sense of independence
- Leadership skills during teamwork activities
- Relationships between teachers/students and students/students which have endured after the course

Please give examples of any of the above impacts

2. The following aims are desired outcomes for the project. Please could you comment on each aim in relation to the experiences for your students giving examples as appropriate

- i. Eco Challenge has helped to increase awareness, knowledge and understanding of the natural environment amongst the students and staff.

ii. Eco Challenge has given students an increased interest and pride in local green spaces such as the school ground, local park or nature area.

iii. Through involvement in Eco Challenge students have increased awareness, knowledge and understanding of environmental and sustainable issues

3. Please give details of your follow up sessions after the residential highlighting its impact on students and your local area. This should include photographs or student presentations – please send on a CD or by email to ecochallenge@field-studies-council.org

4. What are your future plans - will the students or school continue to be involved in any activity as a result of Eco Challenge?

5. Have you any suggestions as to how we could have improved the project?

Thank you for completing this questionnaire and for taking part in Eco Challenge. Please return to Cathy Preston, Eco Challenge Project Manager, FSC Head Office, Preston Montford, Shrewsbury SY4 1HW or Fax to 01743 852101
